For All Walks of Life

Introducing Channelux™ LED lighting system

Promenaid's award-winning handrails are now available with LED lighting. Elegant and weatherproof, Channelux™ dimmable high-intensity modules install easily wherever you want them. Thanks to Promenaid's patented full-length channel, they fit flush and wire up in minutes. No drilling, no fishing, no problem!

Power supply	24VDC constant voltage
Max power	2W per module
LEDs	Samsung or Cree 3030
Max Flux	250 lumens
Color temperature	3000 degrees K
CRI	>80
Max modules per string	45
Max power per string	96W
Wire	18 SWG with Teflon insulation
Wet location	IP65 rated
Lifespan	>80% at 50,000 hrs

Promenaid's patented handrails, guard rails and grab bars are suitable for all locations and are guaranteed for five years.
